Do you have a valid UK drivers license?

Can you spare a few hours each week?

Are you looking to support the local community in a practical way?

Swansea Asylum Seekers Support (SASS) is looking for **two or more** volunteer drivers to join our team. As a volunteer driver, you'll help provide essential transport support for people seeking sanctuary in Swansea.

What might you be doing?

You could be:

- Taking someone to a hospital or solicitor appointment
- Helping individuals move from temporary to permanent accommodation
- Delivering vital donations around the city
- Occasionally providing lifts to and from our weekly drop-in sessions

What's involved?

- We'll add you to our pool of volunteer drivers
- You'll be contacted when a driving need comes up
