Newcomers and Locals United

SASS brings together asylum seekers, refugees and other local people to provide **welcome, welfare, wellbeing** and **empowerment**.

All good people are welcome at our two weekly **drop-in sessions**, where we offer hot meals, English classes, donations, wellbeing activities, practical support, and conversation groups to build skills, confidence, and friendship.

How can you help?

Volunteer with us! We have a fantastic team of volunteers at SASS and always welcome new people to join in a range of roles. Interested? Visit a drop-in, register at sass.wales/volunteer, or contact us via phone or email - see details below.

Donate! 10% of our income comes from the public - people like you. We thank all who already give £5, £10, or £20 a month by standing order!

Did you know?

- About **600** asylum seekers live all over Swansea. Around **30% of them are children**.
- Asylum seekers get a weekly allowance of **£49.18**. That has to cover food, clothing, hygiene, transport, and all other costs (A FirstBus day ticket is now £7.30 - over a whole day's allowance).
- Most people seeking asylum are **not allowed to work**, and cannot claim any benefits.
- Many asylum seekers are **skilled** people such as doctors, poets, engineers, teachers, designers, etc.
- Many wait **years** for their case to be decided. Many cannot find legal representation.
